Campus Technology:

First things first... Create an Island ID.

1. Go to newuser.tamucc.edu, enter your Student ID number (A#) and date of birth in MMDDYYYY format and click submit.

2. You will be given an Island ID and must set up a password.

3. This will be your username and password to access SAIL, Blackboard, Islander E-mail and many other systems.

Accessing your Islander E-mail.

1. Go to islander.tamucc.edu, and sign In using your IslandID@tamucc.edu and password you set up and click “sign in.”

2. Just select your language and time zone preferences and you’re in!

Websites to Remember:

SAIL ACCOUNT: sail.tamucc.edu.

This student portal will allow you to register for your classes, accept your financial aid awards, pay your tuition, pay for a parking permit, and more!

ISLANDER EMAIL: islander.tamucc.edu.

Check your Islander E-mail account often. The university and your professors will begin sending you official notifications to your Island Email account once you enroll at the university.
