PROTECT YOUR ACCOUNT WITH DUO

Go to Duo.tamu.cc.edu

1. Choose your device
   We recommend setting up at least two different devices in case one is out of reach.

2. Begin enrollment
   Once you have chosen your devices, make sure to have them in hand to begin the enrollment process.

3. Use your device to login
   Once enrolled, you will need at least one of your devices with you in order to log into a Duo enabled system.
On your personal computer, click here to install the latest version of Microsoft Office for free!
If you are having difficulty:

Some Android devices require Phase 2 Authentication to be set to MSCHAPV2.
